Many thanks to our photographer Sam Smith and also to our sponsor, Mr. Cotter. Both of them put many hours into this book.

Throughout our years here at PW, time has passed by more quickly with each successive year. In this book, we have tried to capture both the highlights and the everyday routine of our Senior year. Although we have tried to present a complete cross section of life at PW, the completion of our Senior year has left each one of us with his own collection of "TREASURED MEMORIES."

Wrestling

The school year of 1969-70 marked the appearance of a new sport at P-W - Wrestling. The year started with much optimism and after the first few meets the team started to roll. At the Clinton County Wrestling Tournaments the team had five wrestlers that placed. The team went on to win their last three meets of the year from Carson City, Central Montcalm, and Bath. This ended their regular season with a 4-4 record. The next step was the Regionals at Comstock Park. The wrestlers as a team placed sixth in a field of 18 schools. Two wrestlers, Jim Bierstetel and Charlie Bengel placed third to advance to the State Finals.

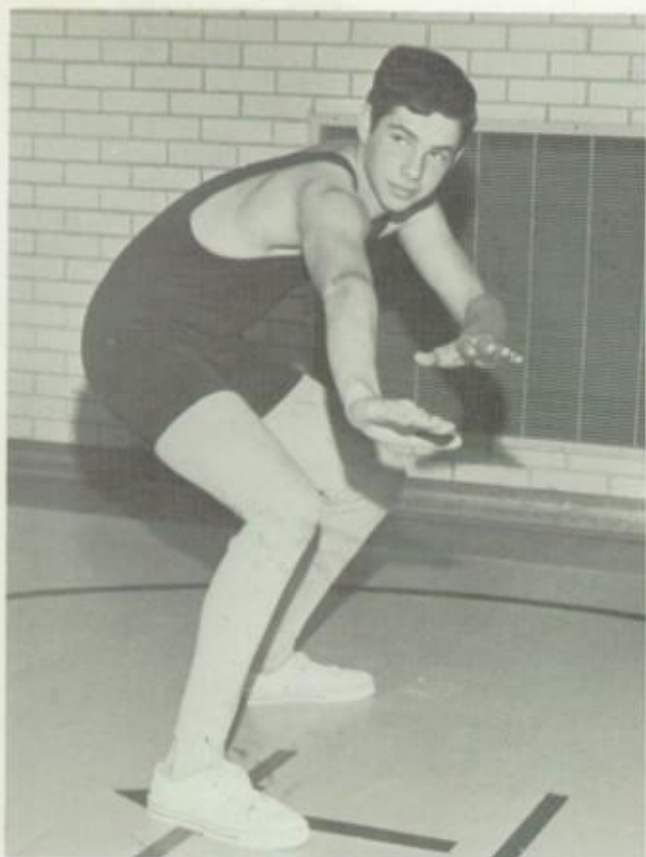

With thirteen underclassmen returning from a team of 22 members, the team's future looks very bright. Congratulations should be given to Coach Richardson and the wrestlers for a fine season, even though this was their first year.
